Congregation

Humanists ARE Joiners

- The question is what sorts of things can we offer them that is worth that precious free time?
- So what can we offer Humanists, Atheists, and Nontheistic UU's that Starbucks, the Library, or the Liberal Christian Community doesn't?

After Brunch

meet new people, make new friends, explore new things

- We are creating & promoting casual meet up spaces for young adults in the Uptown, Loring Park, and surrounding neighborhoods. We do something in the afternoon or early evening on Sundays after brunch!
